

# Pumpkin Halloween Cookies for Dogs

## Ingredients:

- 1/2 cup of canned natural pumpkin
- 2 eggs
- 2 tbsp. powdered milk
- 1/2 tsp. cinnamon
- 1/2 tsp. salt
- 2—2 1/2 cups of whole wheat flour

## Directions:

Preheat the oven to 350 degrees Fahrenheit. Mix the eggs and pumpkin together in a mixing bowl. Add in the powdered milk, cinnamon, and salt. Slowly add in the flour to form a stiff, fairly dry dough. Mix the dough together with your hands to really get it mixed well. If you have too much flour, then add a small amount of water. Roll out the dough to about 1/2" thick. Use your cookie cutters to cut out the dough in Halloween shapes. Place on an ungreased cookie sheet. Bake for 40 minutes.

\*For small dogs use smaller cookie cutters or break up the cookies before serving.
