Deviled Eggs for Dogs

Eggs
Wet Food
Optional Tiny Treats
Optional Egg Molds

Directions:

Hard boil the eggs, peel and cool or cool in molds in ice water as directed for your molds. Cut the eggs in half. Scoop out the yolks into a bowl. Add the same amount of soft food as you have yolk to the bowl and mix together. Put the mixture in a piping bag, or a Ziplock bag with one corner cut off. Pipe the filling into the whites. Add the tiny treats as a garnish. Serve and watch your dog drool!
