

Halloween Pumpkin Face Cookies For Dogs

Ingredients:

½ cup of pure pumpkin

2 tbsp coconut oil

5 tbsp water

2 cups of whole wheat flour

¼ tsp baking soda

¼ tsp baking powder

1 tsp cinnamon

1 egg

shredded carrots

peas

Directions:

Cover a baking sheet with parchment paper and preheat the oven to 350 degrees.

Mix the pumpkin, coconut oil, water, and egg together. Add in the rest of the ingredients and mix until the dough forms a soft, somewhat sticky ball. Roll out on a flour covered surface to about ¼ inch thick. Cut out the cookies with your Halloween cookie cutters. We chose pumpkins only.

Place the cookies on the parchment paper and add the carrots to make mouths and eyebrows, the peas make the eyes.

Bake for around 30 minutes, cool, and serve. Refrigerate any leftover cookies for up to a week.
