

Tasty Easter Cookies For Dogs

Ingredients:

Cookies:

1 cup natural peanut butter
¾ cup low fat milk
¼ cup unsweetened applesauce
2/3 cup shredded carrots
2 ¼ cups whole wheat flour
1/3 cup rolled oats

Frosting:

¼ cup cornstarch
¼ cup water
2 tsp honey
natural food coloring, optional

Directions:

Preheat the oven to 325 degrees. In a mixing bowl, combine all the first four ingredients and mix well. Gradually add in the baking powder and flour. We used our paws to really get it all mixed together.

Roll out the dough to about ¼ inches thick and cut out your cookie shapes. Place the cookies on a parchment lined baking sheet. Bake for fifteen minutes, flip cookies over and bake for another ten minutes. Cool completely

To frost, slowly add water to the cornstarch. When half the water is in, add the honey, mix well and continue adding the water. Add food coloring if desired. Flood frosting onto cooled cookies. Store in an airtight container in the refrigerator for up to a week. Watch your pup enjoy!
