

Tasty Pumpkin Bones

½ cup pumpkin (not pie filling)

2 eggs

2 tbsp powdered milk

½ tsp cinnamon

2 ¼ c whole wheat flour

Preheat oven to 350 degrees. Mix pumpkin, eggs, powdered milk, and cinnamon. Add in flour. You will need to mix the rest of the way with your hands as it is hard to mix. Add in a bit of water to the dough if needed.

Roll out to ¼ " thick sheet. Cut out bones with a bone cookie cutter. Place on a greased cookie sheet or parchment paper.

Bake for 30 minutes. Cool. Enjoy!
